Annual Exhibition 2010 handing in dates

Dear member,

In previous years the aim has been to have a comprehensive list of planned entries made up in advance of the dates for bringing in the print, slide and digital entries. This makes the hand in much smoother and reduces the chance of errors and omissions. In 2010 the Annual Exhibition is once again early in the year with the preview night on 18th March. This gives little time for obtaining judges feedback and organising the exhibition and so entry forms are required by the first HPIC meeting of the New Year.

The revised comprehensive set of rules for all competitions and critiques will be published in October 2009. Those members preferring to receive these by e-mail will be sent them on the day of publication. A note will be made of all those who prefer to receive them in hard copy and these will be issued by hand or post within the following month.

The entry forms will be made available during November 2009 and issued in the same way. The set of competition rules and entry forms will be published as soon as possible on the club's website and it will then be possible to download the rules and entry forms from the site.

Please note the following key dates:

Hand in dates for completed **entry forms** for Annual Competition prints, projected images & Author's Panel: - **6th January 2010**

Hand in of all Annual Competition **entries** (prints and projected images):- **13th January 2010**

Handing in of Author's Panel prints:- **27th January 2010**

Please make sure you adhere to the submission dates printed above and in the syllabus. Late entries cannot be accepted. Also note that competitions cannot be entered unless subscriptions due in January of each year have been paid. Don't forget to return all trophies - sparkling clean please. **These are needed by 3rd February 2010 at latest.**
