Title	Price	Applied		General		Set Subject	Entry Level	
		Mono	Colour	Mono	Colour		Mono	Colour

Titles to have no more than 30 characters (including spaces), except for the Applied entries which often need fully descriptive titles.

Applied refers to Architecture/record and Natural History. General is for everything else.

Please list you entries in the order shown from left to right i.e Applied Mono, Applied Colour, General Mono, General Colour, Set Subject, Entry level Mono, Entry Level Colour, and tick the relevant box opposite the title. Do not mix your entries as this hampers sorting into categories.

Please note 'entry' level is not categorised into Applied and General and Set Subject can be both mono and colour.

Each author is allowed to enter a maximum of 8 prints; these include any work presented in the Author's Panel. Authors can choose to enter a maximum of six prints in any single category ie Applied, General or Set Subject.

Please make sure you adhere to the submission dates printed in the syllabus. Late entries cannot be accepted.

Please fix the official label to the back of the print in the top left hand corner as viewed from the rear.
