Annual Exhibition 2012 handing in dates

Dear member,

In previous years the aim has been to have a comprehensive list of planned entries made up in advance of the dates for bringing in the print and projected image entries. This makes the hand in much smoother and reduces the chance of errors and omissions. In 2012 the Annual Exhibition starts with the preview night on Thursday 22nd March. Working back from that date means that entry forms are required by the first HPIC meeting of the New Year.

The revised comprehensive set of rules for all competitions and critiques will be published in November 2011. Those members preferring to receive these by e-mail will be sent them on the day of publication. A note will be made of all those who prefer to receive them in hard copy and these will be issued by hand or post within the following two weeks.

The entry forms will be made available during November 2011 and issued in the same way. The set of competition rules and entry forms will also be published as soon as possible on the club's website.

Please note the following key dates:

- Hand in dates for completed **entry forms** for Annual Competition prints, projected images & Author's Panel: - **4th January 2012**
- Hand in of all Annual Competition **entries** (prints and projected images):- **11th January 2012**
- Handing in of Author's Panel prints:- **25th January 2012**

Please make sure you adhere to the submission dates printed above and in the syllabus. Late entries cannot be accepted. Also note that competitions cannot be entered unless subscriptions due in January of each year have been paid. Don't forget to return all trophies - sparkling clean please. **These are needed by 22nd February 2012 at latest.** **Please note** - In the event of inclement weather on 4th January members may prefer to email their entry forms to:
