Notes:									
See also general HPIC rules for competitions and specific rules for HPIC Annual Exhibition									
Selection of the club entry for all inter-club competitions is made by a judging panel drawn from experienced club members.									
In all the above we take part as a club. In additional individual club members are eligible to enter the YPU Digiimage competition, as well as the									
Wath Salon Exhibition for prints and slides.									
Digital images dimensions have horizontal max no pixels first and vertical max no of pixels second. Thus a portrait format can be no more than 1200 top to bottom.
